Look Who's Cooking

Afternoon Cooking Class
With Pam Zawiski

We are excited to offer a new afternoon enrichment class, Look Who's Cooking, which will be held on Monday afternoons.

Why Cooking? Not only is it fun, but there are great things to be learned! In addition to building good nutrition and food knowledge, they will learn math, science, reading, and patience. Cooking also help children with their decision making skills, to be more independent, and it helps build self confidence when they realize they are a vital part of making something they can eat and share with friends!

.

COST: $30.00 per afternoon per child. Please put $8.00 for the double lunch in your child's lunch box each week. DO NOT COMBINE WITH TUITION PAYMENT.

This one afternoon a week program will be offered beginning Monday, October 5th .
